MATHWOM MEMO, MD
KEVIN POLAWAWSKI, DPT
JEFFREY WEBB, MD
BRYAN WHITFIELD, MD
KIMBERLY WINN, ATC
JOHN XERGEANES, MD
PURPOSE/OBJECTIVE
This symposium provides the most up-to-date information for professionals interested in the diagnosis and management of shoulder, knee, ankle, foot, and spine injuries. Dedicated breakout rehabilitative lab and research sessions are also included. The most current concepts will be presented in various methods: didactic sessions, panel discussions, breakout sessions, and personal interaction with the faculty.

At the conclusion of this program, attendees will be able to:

- Have an increased knowledge of sports surgical procedures and how best to optimize patient outcomes and return to sport;
- Explain how modalities and physical therapy improve patient outcomes;
- Demonstrate evaluation techniques as they relate to the unique mechanism of injury that athletes sustain;
- Identify and diagnose common shoulder injuries in athletes-muscle and tendon injury, ligament and labral tears, and instability;
- Perform focused history and physical exam on the shoulder and knee;
- Explain how athletes can reduce their risk of ACL injuries;
- Evaluate and formulate treatment plans and provide rehabilitation for various injuries and conditions inherent with shoulder and knee injuries;
- Identify the most common tests and treatments commonly used in patients who have meniscus tears, chondral damage, and other knee injuries;
- Evaluate and treat groin and hamstring injuries in the athlete;
- Explain the pathophysiology and treatment of spinal pain in the athlete;
- Apply new concepts in the management of concussions;
- Identify causes of pelvic pain and its treatment in the athletic patient;

WHO SHOULD ATTEND
This conference is intended for athletic trainers, physical therapists, physicians, nurses, physician assistants, and residents. The dress code is business casual.

CONTINUING EDUCATION CREDITS

PHYSICAL THERAPISTS: Application for CEU credit has been filed with the Physical Therapy Association of Georgia (PTAG). Determination of credit is pending.

ATHLETIC TRAINERS: BOC CEU’s are approved. The Emory Sports Medicine Center, (P3345) is recognized by the Board of Certification, Inc. to offer continuing education for Certified Athletic Trainers.

PHYSICIANS: The Emory University School of Medicine designates this live activity for a maximum of 12.25 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The Emory University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.
